EXPERIENCE

Getir – Full Stack Developer

Istanbul, Turkey   *February 2021 – Present*

- Implemented and documented more than 8 end-to-end dashboards and monitoring pages using React, Redux, and NodeJS to ease operation analysis and customer services processes.
- Overhauled the obsolete legacy source code of monitoring and dashboard pages, resulting in increased usability and improved run time performance by 50% to 100%
- Reduced the development time by 1 day by creating reusable components which have similar business logic across all dashboards.
- Promoted within a six-month timeframe for exceeding goals and receiving 5 out of 5 performance rate.
- Collaborated closely with a team of 9 other members and introduced pair code reviews. This also helped to gain the habit of giving feedback between team members.
- Assisted 2 new team members with onboarding by guiding through the code base and the company culture.

WhatWas? (Personal Project) – Frontend Developer – Website - GitHub

Istanbul, Turkey   *July 2020 – December 2020*

- Optimized Firestore database reads using Context API which lowers the cost for 10k users from $4500 per month to $25.
- Architected the back-end with Firebase and Firestore and implemented user authentication with Firebase Auth.
- Composed and deployed the website using React. Achieved an 85+ performance rating on Google Pagespeed.
- Structured page navigation and 3 other core page roots with React Router.
- Designed more than 15 reusable components using styled-components.
- Generated a WYSIWYG editor via react-quill.

LEADERSHIP

Tiny Cave Studios – Founder, Recording Engineer

Istanbul, Turkey   *April 2019 – June 2020*

- Founded a local recording studio in Istanbul and ran successfully for 1.5 years.
- Mentored artists to enrich the musical career in addition to recording assistance.
- Consulted 12 singers on how to create a better musical album.
- Advised 60 musicians to boost the musical career paths.
- Strengthened a sense of teamwork, patience, and creativity by being a part of several music bands.
- Promoted clients with digital-only videos to reach bigger audiences in Google Network, resulting in %60 growth in the fan base.
